JOSHUA RICKER-RAMPERSAD

SENIOR SOFTWARE ENGINEER

xavientois.ca
joshua.rampersad@hotmail.com
514 - 297 - 2368

Skills

Technical

Rust
Kubernetes
Terraform
AWS
Go
Python
Typescript

CI/CD

Deep familiarity with CI/CD platforms including Buildkite, CircleCI, Github Actions, and Jenkins

Leadership

Led teams of engineers to ship features to millions of users and hit milestones

Communication

Adept at cross-functional collaboration to drive projects from ideation to delivery and beyond

Languages

Fluent in English and French

Professional Experience

Software Engineer — 2024 - 2026

Pinterest

- Led the rollout of cross-platform rendering engine to 500 million users across Web, iOS, and Android
- Designed, implemented, and managed migration to configuration language for new CI platform
- Owned projects with teams of up to 5 developers to establish and execute multi-quarter roadmap

Infrastructure Engineer — 2021 - 2024

Voiceflow

- Managed and optmimized production Kubernetes clusters, reducing compute costs by 55%
- Implemented CLI tools to streamline development and deployment workflows
- Researched novel tooling and approaches to optimize architectures on cloud providers

Software Developer — 2021

1Password

- Developed for the 1Password browser extension in Rust and Typescript (React)
- Triaged and fixed issues affecting the extension on all major browser platforms

Software Engineer — 2020

Uken Games

- Developed for Armoury & Machine 2 with Unity Engine for iOS and Android
- Implemented advertisement caching strategy that resulted in a 64% increase in ad revenue per user
- Collaborated with designers to implement new user-facing features and tooling

Game Systems Programmer — 2020

Behaviour Interactive

- Developed for Dead By Daylight with Unreal Engine on PC, PS4, and Switch
- Wrote backend Node.js REST API functionality in Typescript

Education

University of Waterloo — 2017-2022

Honours Bachelors of Computer Science
Minor in Music

Activities and Interests

Music

Classical Trumpet
Baritone Voice
Classical Piano

Theatre

Shakespeare Troupe
Musical Director
Community Theatre

Advocacy

Municipal Campaign
Resident Panelist
City Council Delegation

Open Source

Rust Standard Library
Yew Web Framework
Bevy Game Engine
